Hi Lisa,

The AE package did not arrive – we do know from Rob that there were more comments. Presumably they are still responding and getting it ready to submit to EPA. There was not a meeting, and the next one is scheduled for Jan 21, unless that changes. Nothing to do but wait!

Thanks! Michele

Hi Michele and David,

Do you have any news on the AG AE package? Do you know if they received any additional comments on the package? Did you end up having the meeting with DOGGR in mid-December? Is there anything you need my help on that came out of the meeting, if you had it?

Thanks,

Lisa
